

## Obedience and Behavior Training Services

We offer one-on-one obedience and behavior training with an experienced, certified trainer. All training takes place in your home with personal attention to your needs and goals. Training programs are individually developed for each client, with attention to breed-specific needs and a focus on owner-canine interaction.

Please see below for training program pricing and details. Call 206.484.3696 with any additional questions.

---

### Basic Obedience Package

#### Heel, Sit, Wait & Leave It

Designed to create a strong framework for new puppies or young dogs needing basic obedience help. In-home, private training is more effective than crowded group classes.

- One 60-minute in-home consultation with the trainer to set goals, get hands-on demonstrations of training methods and receive training guide.
- Six 30-minute training sessions to work one-on-one with the dog. We recommend scheduling at least 2 sessions/week following initial consultation.
- One 60-minute hand-off session with owner/s and dog.

Phone and email support during training and for 14 days following final session.\*

**\$350**

\$295 each additional dog in household.  
Training sessions must be scheduled consecutively.

---

### Behavior Management Training

#### Interview, Evaluation and Plan Development

For dogs that are destructive, suffer from separation anxiety, are overly aggressive or have other behavior problems. Behavior training plans are custom-tailored to you and your dog's needs and goals.

- 90-minute in-home consultation with trainer. Ask questions of trainer, discuss and establish training options and goals. After initial consultation trainer will develop a custom training program for you and your dog, including recommendations for additional in-home training sessions. You will receive a customized training manual in bound and electronic formats.

14 days phone and email support.\*

**\$225**

\$190 each additional dog in household  
\$20 per additional bound training manual

---

### Additional In-Home Training Sessions

30-minute sessions with you and/or your dog/s. Ask questions or demonstrations from trainer, or have trainer work independently, one-on-one with your dog.

Available only after initial obedience or behavior consultation is complete. Your training manual will include recommendations for in-home training sessions based on your needs and goals.

**\$35 /session**

Each training session includes work with one dog; additional dogs being trained in home \$25 if scheduled consecutively.

\$315 for 10-session Passport Card

---

## Advanced Obedience Training Tailored to your personal goals

For dogs that have mastered basic obedience commands. May include off-leash send away and recall to heel, distance commands, "Go to bed", Locate, or any agreed custom commands. *We do not currently offer hunting or agility training.*

- One 60-minute in-home consultation with the trainer to set goals, get hands-on demonstrations of training methods and receive training guide.
- Trainer will recommend additional training sessions needed to accomplish goals.
- One 60-minute hand-off session with owner/s and dog.

Phone and email support during training and for 14 days following final session.\*

---

## Additional Phone and Email Support

If you need additional advice or support beyond what is included in your training plan, your trainer will be available to answer any questions you have, including training tips, dietary advice, etc.

**\$50 /month**

\*Trainer reserves right to suggest in-home training session/s if your needs cannot be adequately met over the phone or email.
